INFORMATION FOR CONTRIBUTORS

Normally, every volume of History of Anthropology will be organized around a particular theme of historical and contemporary anthropological significance, although each volume may also contain one or more "miscellaneous studies," and there may be occasional volumes devoted entirely to such studies. Since volume themes will be chosen and developed in the light of information available to the Editorial Board regarding research in progress, potential contributors from all areas in the history of anthropology are encouraged to communicate with the editor concerning their ongoing work.

Manuscripts submitted for consideration to HOA should be typed twenty-six lines to a page with 1 1/4-inch margins, with all material double-spaced, and documentation in the anthropological style. For exemplification of stylistic details, consult the published volumes; for guidance on any problematic issues, write to the editor. Unsolicited manuscripts will not be returned unless accompanied by adequate postage. All communications on editorial matters should be sent to the editor:
